- APS.NET, C#, JavaScript, SQL management studio, VSC

## EDUCATION

University of Puerto Rico, Campus of Río Piedras

2017 - 2023

Major in Computer Science. In my Computer Science coursework, I delved into Computer Architecture, Data Structures, Compilers, Algorithms, Operating Systems, Software Engineering, Databases, and Cyber Security, to name a few. In addition, I've had the opportunity to be part of group projects that emulated a similar work environment to a company whilst having the space to make mistakes and be guided by expert professors.
